Sunrise Villa

**Sunrise Villa is a long term
rehabilitative care
facility that provides
specialized treatment for
individuals who have
sustained a brain injury.**

Individuals live in their own apartments, providing each person the most independent living possible. A variety of activities such as shopping, social, and entertainment events are available.

Sunrise Villa provides vocational services through Ability Building Services Program.

Mission Statement:

To provide high quality health care in a Christian setting to the people we serve in Irene and the surrounding communities.
